*Message from the Chair...*

**Happy New Year! I hope your holidays were wonderful. We have a busy year ahead of us. We will start the year off with a virtual webinar on February 19th on Herbal Supplement Considerations in Nephrology presented by Desiree de Waal, MS, RD, CD, FAND. You do not want to miss this presentation! We will be participating in the Hunger Walk/Run on March 9th. Our Annual GRNA Meeting will be a one day event this year and it will be held on April 24th at Pinckneyville Park Community Center. GRNA is sponsoring a \$500 stipend to help offset the cost of attending a professional conference either in person or virtually. The deadline is January 31st. Also applications are open for the Annual Georgia Renal Dietitian of the Year award. Please refer to the newsletter for all the details.**

**We are creating a slate of candidates for the 2025/2026 GRNA Board and have several open positions. Please consider joining us to make our association better than ever!**

**Wishing you all the best in 2025!**

*-Patti Scott RDN, LD*
